Republican Meeting.

The Court House was pretty well filled by the I as good as that which is carried. The way to say Republican meeting on Tuesday evening. Those present were addressed by Mr. Helmick and Judge Welker. We have not room in this week's paper to criticise what was said further than to say that people Mr. Helmick made a great number of very silly world that blunders; such as saying that "Mr. Washington while President, approved the Ordinance of 1787, ally found to a under the solemnities of an oath." There is scarsely a school-boy in the country but knows that the Ordinance of 1787 was passed by the Con. federated Congress, before the Constitution was adopted, and before the United States had any President. Mr. Helmick said he never heard or Popular Sovereignty when he acted with the Democratic party. Mr. Reed says Helmick and him made Popular Sovereignty speeches in defence of PISTOLS, RIFLES, CARBINES AND SHOT GUNS. Cass' Nicholson letter in 1848. He faulted some Democrats for voting against the Homestead Bill but he forgot to tell that Lincoln voted against a Homestead for the soldiers and widows of soldiers in the Mexican war, and that Hamlim voted against the very bill that he (Helmick) was fault.

These are supple, safe, sure and servicesable, and can be had in each hundred varieties, as well as Cartridges of powder, built and shot, and all small parts for repairs, from all respectable gun dealers, and the Hardware trade generally.

These are Cass' Nicholson letter in 1848. He faulted some ing Democrats for voting against. These are only a few of the blunders of the Honorable gentleman, but they may be overlooked because of his condescending politeness. In speaking of
